

# DEAN LABEL GRADE

NAME : COLLINS BIWOTT  
TM : MARYANN MWIKALI  
UNIT : DSF-08  
DATE : 07/06/2024

# OVERVIEW

The school administration through the Dean's office has been having challenges with students grades. They requested for characteristics that the students may adapt and practice which will lead to a pass.

# INVESTIGATION

Data from students from different classes was acquired and obtained.

1. Data downloaded from the Kaggle website
2. Cleaning through data preparation and analysis was conducted
3. Creation of models and feature selection was obtained
4. Evaluation

# SOLUTION

The members of the Dean should advise their students to ensure they are present to their classes so as to acquire their pass grade.

## Class attendance

Students should adhere to guidelines in matters time ,to ensure presence in class

## Behaviors

gaps GCSE Quintile, Polar4 Quintile and Tundra MSOA quintile should be followed.

## Neighborhoods

Students should ensure the study in school or live within school premises.

# CONCLUSION

- 1.Student behaviours in terms of presence in their Module is core for their grade Label.
- 2.Student should live within Neighbourhoods that influence their intake of their modules.
- 3.Online classes and modules should accessed frequently.
